

Job Vacancy – Full Time

Motorcycle Mechanic - Qualified

Botany Honda Motorcycles are looking for a qualified technician to join their busy team. The successful candidate must have experience working on all Japanese/European motorcycles and must be committed to a high standard of work with a strong customer focus.

We have a great team that frequently get involved in motorcycling events and demo days, both on and off road.

Main duties:

- Servicing & repair of road and dirt motorcycles, ATV's and Honda Power Equipment
- Workshop administration

Other duties include:

- Insurance assessing
- Warranty repairs
- Tyre fitting

Skills and attributes required:

- Fully qualified motorcycle mechanic with several years experience on Japanese & European motorcycles
- Full car & motorcycle licences
- Good knowledge of motorcycle electrical systems and fault finding
- Welding skills including plastic welding would be a benefit
- Computer literate
- Excellent communication & customer service skills both written and verbal
- Reliable, punctual and articulate
- Training on existing company systems will be given, but knowledge of the Orion software is an advantage

Hours:

- Approx 42 hours per week
8:30 – 5:30 weekdays, 9:00 – 3:00 rostered Saturdays
- A favorable hourly rate will be negotiated

Email CV and covering letter to: danny@botanyhonda.co.nz
